8. Contractor will alert JAAA with any concerns identified for customers served.

D. EVALUATION PROCESS:

The proposals will be evaluated by an Evaluation/Allocations Committee composed usually of Jayhawk Area Agency on Aging, Inc. personnel and members of JAAA Board of Directors and Advisory Council. Members of the Evaluation/Allocations Committee will independently review and rate each proposal based on the listed criteria.

The Jayhawk Area Agency on Aging, Inc.'s RFP process is usually a two-step process. The first step consists of an Evaluation/Allocations Committee scoring all responsive proposals. This scoring is determined by allocating points totaling 100, which are assigned to evaluation criteria similar to the following.

Firm Experience performing similar work
Key staff or Firm personnel experience
Responsiveness to the RFP
Applicable resources
Project understanding/approach

(see attached Ranking sheets)

The Evaluation/Allocations Committee or department representative prior to opening of proposals shall assign the weights given each category. Each Evaluation/Allocations Committee member will provide a numerical score. Following the tabulation of numerical scores, each member's set of scores will be ordered by JAAA as to first choice, second choice and so on according to the point scores from that member. To determine the finalists, one point will be assigned for first choice, two points for second choice and so on. Choice points of all members will be added together and the firms receiving the lowest choice point totals will be short listed for the interview phase of the RFP. In some circumstances, interviews may be waived with mutual consent of the Executive Director and the Evaluation/Allocations Committee. In the case where interviews are waived, the firm receiving the lowest choice point total will be selected to begin negotiations with Jayhawk Area Agency on Aging, Inc.

Interviews shall be independently evaluated by each Evaluation/Allocations Committee member based on points totaling 100. Points are assigned to criteria similar to the initial proposal evaluation. Criteria are to be established by the Evaluation/Allocations Committee or JAAA prior to opening of proposals.

Following the interviews and addition of interview points to each Allocations Committee member's score sheet, each member's set of scores will be ordered by JAAA as to first choice, second choice and so on according to the point scores from that member. To determine the selection, one point will be assigned for first choice, 2 points for second and so on. Choice points of all members will be added together and the firm receiving the lowest choice point total will be selected. In the case of a tie, the selected firm will be decided by drawing lots.

Following the interviews the Evaluation/Allocations Committee's intent is to select and/or recommend to the AAA Advisory Council one (1) firm (hereafter referred to as Contractor) to provide the Jayhawk Area Agency on Aging, Inc. the services required in this RFP. The staff will then endeavor to negotiate a contract with the successful firm. In the event that a mutually agreeable contract cannot be negotiated with said firm, the staff will then enter into contract negotiations with the next highest rated firm, and so on until a mutually agreeable contract can be negotiated. JAAA reserves the right to not enter into a contract if a satisfactory proposal is not submitted.

The Evaluation/Allocations Committee members will be asked to comply with the Jayhawk Area Agency on Aging, Inc.'s Conflict of Interest Policy:

- 1) Any possible conflict of interest on the part of any board member shall be disclosed to other board members and made a matter of record, both through an annual procedure and when the interest becomes a matter of board action.
- 2) Any board member having a possible conflict of interest shall not vote or use his/her personal influence on the matter. The minutes of the meeting shall reflect that a disclosure was made, and the abstention from voting by that member.
- 3) The foregoing requirements do not mean that a board member is prevented from stating her/his position in the matter, nor from answering pertinent questions from other board members.
- 4) To ensure against one obvious conflict of interest, it is against policy for any JAAA board member to serve as a staff member or board member of any agency to which JAAA provides funding or from which JAAA receives funding.

								Rpt. 2 +							

Requesting 'Undup Mth - Yr' due to the fact some providers send everything every time.

Requesting Legal Name and Nickname in order to have more info to identify people with the same name. Also need to be able to expand columns in order to see complete name.

Don't know if gender needs to be expanded beyond Male and Female

Requesting Birthday & Age in order to have more info to identify people with same name

Race - AI / AN is American Indian / Alaskan Native, NH / PI is Native Hawaiian / Pacific Islander, Rpt. Oth is Reporting other race, Rpt. 2+ is Reporting 2 or more races

Requesting County / City in order to have more info to identify people with same name.

I would like to see the info in columns A thru M for all providers, including Trinity, A Helping Hand, etc. Even though their clients should already exist, occasionally I find someone who doesn't and it would help to identify the correct person for multiple people with the same name.

Columns M thru P are what I would like to see for JCSO, SRC (DCSS)

For K thru M & N thru P I would like to see simple, straight forward Yes / No indicators instead of what some are currently reporting
